Highways (008) –

Louise met with Mr Gardener & Knight accompanied by Lynn Tyn Llan who was in charge & has endless experience, to show some problem areas, she was told come April, some of the issues would be addressed, but not all as money would not allow, they were then going to meet a resident of Glan y Morfa to see the water issues they have there. Louise did this as a member of the public, not councillor as she was sick of nothing being done, but she had informed Myfanwy of the meeting, Jim was not in agreement with it.

Mrs C. Pritchard

The Council agreed to issue the relevant payments.

Members points of info (011) –

A letter was received from the cemetery committee thanking us for the donation.

We would like it minuted the councillors sadness at the loss of such a valued member of the community, Marion Owen, a former Banw head teacher died on 10th February, our sadness to her family, she was involved in many things including the folk dancing, she hosted Welsh learning classes & was an avid card sender, she will be missed.

It was requested that the minutes be circulated sooner & the agenda was put up prior to the 3 day guidance before a meeting, but members understood the personal problems the clerk had encountered recently due to the flooding
